Here's the Coverdell info. The first file has the summary and the other is for backup only (I'm including so that if this comes up again I'll have everything on one place). Let me know if you have any questions, I'm back in JP, 617-983-6241.

First answer is that all of Dookhan's personnel expenses were on the state lab account, 4516-1000. I'm working on the Coverdell expenses now and also looking for the reports we submitted to the MSP.

Hello

I've been asked to confirm details re: Coverdell ISA from EOPSS that the drug lab had been receiving. Can you please confirm amount, activities supported and whether Annie Dookhan's salary, overtime and/or standby pay was ever supported with these funds? Also, it would be helpful if you could share info about the years that we received the grant.

Thanks
